Code of Conduct for Pupils using Public Transport

Every pupil has a personal responsibility for his or her own and others’ comfort and safety during the journey to and from school.

Please ensure your child understands and follows the code. Children must carry their travel passes for inspection on every journey.

Children should board and get off the bus one at a time in an orderly manner.

Children should remain seated at all times while travelling in the bus if possible where space permits.

Use the stop bell to attract the driver's attention when you wish to leave the bus, otherwise must not distract the driver’s attention during the journey.

Children must keep their bags out of the aisles.

Children should treat members of the public and fellow students with respect, talking quietly and sensibly.

Emergency doors or exits should only be used in a genuine emergency.

Remember: You are representing yourselves and the Academy on local bus services, please be polite and considerate to others.
