### **Promoting equality and community cohesion at Ormiston Ilkeston Enterprise Academy (OIEA)**

At OIEA we have a strong commitment to fairness and equality in everything that we do.

- We try to ensure that everyone is treated fairly and with respect.
- We work hard to make sure that the academy is a safe and secure environment for everyone.
- We recognise that people have different needs, and we understand that treating people equally does not always involve treating them all exactly the same.
- We recognise that for some students extra support is needed to help them to achieve and be successful.
- We try to make sure that people from different groups are consulted and involved in our decisions, for example through talking to students and parents/carers, and through our Student Voice.
- We aim to make sure that no-one experiences harassment, less favourable treatment or discrimination because of their age; any disability they may have; their ethnicity, colour or national origin; their gender; their gender identity or reassignment; their marital or civil partnership status; being pregnant or having recently had a baby; their religion or beliefs; their sexual identity and orientation.

We welcome our general duty under the Equality Act 2010 to have due regard to the need to eliminate discrimination; to advance equality of opportunity; and to foster good relations.

We also welcome our specific duties to publish information about our academy population; to explain how we have due regard for equality; and to publish equality objectives which show how we plan to tackle particular inequalities or disadvantages.

We welcome the emphasis in the Ofsted inspection framework on the importance of narrowing gaps in achievement which affect, amongst others:

- Students from certain ethnic and cultural backgrounds
- Students who are supported by the student premium
- Students who are disabled
- Students who have special educational needs
- Boys in certain subjects, and girls in certain other subjects.

**Religion and belief**

**How we advance equality of opportunity:**

We follow the Derbyshire Agreed Syllabus for RE. This means we study a 6 major religions (Christianity, Islam, Hinduism, Buddhism, Judaism and Sikhism), with a more in depth focus on Christianity as the principal religion in the UK. We also consider non-religious world views in a secular society.

RE is studied as a timetabled subject for 1 hour a week in Years 7 to 9. The aim of our RE curriculum is to explore big questions about life, in order to find out what people believe and what difference this makes to how they live, so that pupils can make sense of religions and worldviews, reflecting on their own ideas and ways of living.

**How we foster good relations and promote students' spiritual, moral, social and cultural development:**

- The academy is proud to have a very strong planned SMSC.
- Our curriculum, including RE, supports students to be accepting of one another's lifestyles and beliefs, as well as exploring shared values.

Through our curriculum we aim to develop student understanding of religions and world view so they can participate positively in a diverse society.
