Dear Parent/Carer,

**Careers Fair 11 July 2023**

OIEA are pleased to be hosting a Careers Fair on Tuesday 11 July 2023 for students and parents.

We are delighted that we have a large number of organisations who are supporting this event, including Colleges, 6<sup>th</sup> Forms, Training Providers, Universities and Employers from a wide range of business professions.

Year 10 will visit during lesson time. Year 9 will be able to visit at lunchtime. Both parents and students are welcome from 3.10 pm – 4.30 pm to visit, this is a great opportunity for parents/carers to learn about the local labour market and post 16 options.

At OIEA we are committed to providing opportunities for our students to raise their aspirations, develop their employability skills and make informed choices are our priority for our young people.

We encourage you to visit this event given the importance of your child making the right decisions regarding their GCSE options, post-16 option choices and career pathways.

If you have any questions, please don't hesitate to contact myself at the academy.

We look forward to welcoming you on the day.

Yours sincerely,

Mrs Pape  
Head of Careers
