

# Year 9 Options Online Choices Support

1. You will receive an email to your school email account inviting you to 'accept your invitation'.
2. This will prompt you to create an account for the online options process. You will need to enter your email, date of birth, and create a password.
3. Following this you will receive a second email asking you to validate your email address.
4. The options selection page is broken down into two sections.

Section 1 is where you will choose your two free choices, these are chosen in order of preference. You are also required to choose two reserve choices, again in order of preference. A completed section 1 is shown below.

### Options choices - for Sept 23

You must choose at least 2 subjects from this list and two reserve subjects. You must NOT choose the same subject that you put as your EBACC subject choice.

For example, if you chose History as your subject in the EBACC list, you cannot choose it again from the main options list.

You CAN choose additional EBACC subjects though. So for example, if you have opted for History in the EBACC options list, you could also pick Geography and German for your other two subjects.

You have chosen **2 of 2** courses and **2 of 2** reserves from this list
