Key Information

- The competition is open to all year groups, and you can enter any type of performance – you are limited only by your imagination and talent!
- You will need to practice and record a two-minute performance which will be judged by your teachers as part of the first round of the competition.
- All entries must be submitted via email/OneDrive link to Mrs Selby before Friday 3rd October. ksselby@oiea.co.uk
- A panel of teachers will judge all entries from our academy, to determine who will then take part in a live school final at OIEA on Weds 12th November.
- Wednesday 12th November students will perform in a live final in front of an audience and three guest judges.

What happens next?

- In January, videos for the three performances chosen to represent our academy in the second round of the competition will be submitted to the OAT Enrichment team.
- In this stage, all performances submitted from across OAT will be scored by a panel of judges; the acts with the highest scorers will be invited to perform at a regional final in March.
